MEMORIAL DAY PARADE PLANS ARE COMPLETED

GOLD STAR MOTHERS TO BE
HONORED GUESTS AT
SERVICES

Wednesday afternoon at Forest Hill cemetery, citizens of Putnam county will pay their reverent respects to the memory of those who have made the supreme sacrifice in defense of their country. Services will start at 2:30 p. m.

Honored guests for the occasion will be the Gold Star mothers from World War II. This group will not be a part of the parade but, rather, are requested to go directly to the cemetery where reserved seats will await them.

The annual Memorial Day parade will be held at 1:30 p. m. starting from the American Legion home on East Walnut street. Music for the occasion will be furnished by the Greencastle High School Band and a Cappella Choir. W. E. Brown, Indiana Department Commander of the American Legion, will deliver the principal address.

A departure from former Memorial Day parades has been made this year by the addition of several cars to the parade. Special attention is called to the extra starting points of various organizations who will enter the parade at Locust street. The official parade formation is as follows:

1. Massed Colors and Color Guards (Form at Legion Home)
2. Firing Squad (Form at Legion Home)
3. Officer of the Day (In car—Form at Legion Home)
4. City Officials (In cars—Form at Legion Home)
5. High School Band (Form at Walnut and Spring Streets and enter parade following city officials' cars)
6. High School Choir (Form at Pennsylvania Railroad tracks, enter parade when H. S. Band passes them)
7. War Mothers Service Club (Form at gate to Forest Hill and enter parade immediately back of choir)
8. Spanish War Veterans (In cars—Form at Legion home west of Walnut street)
9. Disabled Veterans (In cars—Form on Walnut street west of Locust)
10. V. F. W. and Auxiliary (Marching—Form on College Avenue north of Walnut street)
11. American Legion and Auxiliary (Marching—Form on College south of Walnut street, enter parade following VFW)
12. D. A. R. (In cars—Form on Locust street west of Locust, enter parade after Legion)
13. Girl Scouts and Girl Reserves (Marching—Form on Locust street east of Locust, follow D. A. R.)
14. Civic Organizations (Form on Locust street south of Gobin Memorial church)
15. Boy Scouts (Form on Locust street south of Gobin Memorial church)

In the event of rain Wednesday afternoon, the Memorial services scheduled for Forest Hill cemetery will be conducted in the High School gymnasium.

A. R. MEMORIAL SERVICE
The D. A. R. Memorial Day services will be held immediately following the community service at Forest Hill cemetery, on Wednesday afternoon. Members are asked to assemble at the cemetery to take part in these services, which will be conducted by Mrs. A. A. Brothers.

MARRIAGE LICENSE
Howard Thomas, Greencastle, and Imogene Bennett, Brazil, Willard Wells Carpenter, Pennsylvania, and Geneva L. Shelly, Greencastle.

A MEMORIAL BOND
The fourth war Memorial Day for Putnam county in World War II is coming up. The Seventh War Loan is likewise underway. To make this Memorial Day a lasting one, as well as a profitable one for both yourself and for Uncle Sam, buy a war bond in memory of one of the nearly 100 young men from Putnam county who will not come back. What would be a better Memorial to them than to aid in completing the victory by putting more money into the Seventh War Loan.

SERVING COUNTRY

S/Sgt. Ray H. Beaman

Mr. and Mrs. Simpson Best have received a letter from their nephew, S/Sgt. Ray H. Beaman, who is with the 151st Infantry. Sgt. Beaman entered the service in April, 1941. He trained at Camp Shelby, Miss., Fort Benning, Claborn, La., and Camp Clarabelle, Fla. He has been overseas almost eighteen months, having seen service in Hawaii, New Guinea and now in the Philippines. He took part in the battle of Zig-Zag Pass and others. He has the Good Conduct Ribbon, the Service Ribbon, Expert Infantry Badge, the Asiatic-Pacific Ribbon and the Combat Infantry Badge. He will also be awarded the new Philippine Ribbon to be given.

In one of the landings the towns of San Narciso and San Antonio were liberated. He was one of the avengers of Bataan. At the time of induction he was a resident of Clay county, but early this year purchased a farm in Putnam where his parents now reside.

Fellowship Is Awarded Winsey

Prof. A. Reid Winsey, head of the art department at DePauw University, has been awarded a fellowship in the School of Fine Arts of Ohio State University for next year.

Granted a sabbatical leave from DePauw from July, 1945 to September, 1946, Professor Winsey will work toward his Ph. D. Degree in painting. At the present time it is estimated that only 11 men in the country hold the doctorate in painting. At Ohio State Professor Winsey will study under James R. Hopkins, a member of the National Academy and an outstanding portrait and figure artist, and under Erwin Frey, noted for his work in sculpture and ceramics. Professor Winsey has studied at Lawrence College and received his degrees from the University of Wisconsin. He has also studied under Thomas Hart Benton and Elmer Taftling. Arrangements for his successor at DePauw while he is on leave have not been completed.

BROTHER DIES

William Bishop, principal of the Greencastle high school, was called to Osgood this weekend following the death of his brother, Martin Bishop, in the Major hospital at Shelbyville on Saturday. Funeral services were held in Osgood Monday afternoon.

LARGE CROWD ENJOYS RODEO HERE SUNDAY

EVENT WAS SPONSORED BY
THE PUTNAM COUNTY
SADDLE CLUB

One of the largest crowds to attend a sporting event in this community in recent years was at the rodeo staged by the Putnam County Saddle Club and Cherokee Hammons Sunday afternoon at the club grounds west of the city.

A full program was given, lasting more than two hours and some of the finest rodeo events one could wish, were given by the large array of talent collected by Cherokee for the event, which was the opening of his summer season. He moved to Cincinnati from here, where he opens Wednesday. Some of George Adams talent participated and he moved to Davenport, Iowa, Monday for a Memorial Day opening.

The trick riding, the roping exhibitions, the bronc riding and bull riding were all masterpieces. Earl Sutton's roping exhibition was perfect as was the work of Homer, the clown with his mule. The long horn Brama bulls, brought in last week from Florida were plenty dangerous and the crowd got a thrill from them. The Rudinoff horse act was big time stuff and was a feature of the program. The Saddle Club is to be congratulated for staging such a successful show.

MEMORIAL SERVICES WILL BE HELD AT PUTNAMVILLE

Memorial services will be held at the Putnamville Methodist Church Wednesday afternoon at 3:30 o'clock with Will Edington as the speaker. There will be reserved seats for the parents of sons and daughters in the service.

AWAITS APPROVAL SAN FRANCISCO, May 28.

(UP)—A new interpretation of the Yalta formula of voting procedure by the United Nations Security Council was ready for approval today by the Big Four. The final draft of a statement embracing the latest interpretation was prepared over the week-end by technical experts of the American, British, Russian and Chinese delegations to the United Nations conference.

LEGION TO MEET

American Legion Post 58 will meet this evening at 8 o'clock. All members urged to be present.

Praises Traffic Code In City

The following letter is the first received commenting on the new Greencastle city ordinance regulating parking and traffic. The Daily Banner invites your letters on this question that has caused considerable comment, pro and con. Letters sent in will be published if permission is given to publish the name and address of the writer.

Editor of The Daily Banner:

"Dear sir:
The farmers of Putnam county owe a vote of thanks to the city of Greencastle for its forethought in passing the new Greencastle traffic ordinance.

"The restrictions on parking will enable the residents of the county to come to Greencastle and find parking places in almost any area of the downtown district. This will greatly reduce the time required for shopping and will save many steps in walking to and from automobiles that had to be parked several blocks from the square on many occasions. For example, now a farmer may park on the square, make his bulk purchases such as groceries, and then remove the car to the district that is not restricted if he wishes. This will eliminate the necessity of carrying bulky purchases for many blocks.

"I have talked to many residents in my community and the majority of them are in favor of this new city ordinance. It should make Greencastle a more attractive place to shop."

Greencastle R. 4

CLOVERDALE MEMORIAL TIME HAS BEEN CHANGED

The Memorial Day services for Hurst-Collins Post of the American Legion at Cloverdale has been changed, due to a funeral being held at the Reed Funeral home. The time has been moved to three o'clock from two and the program will be held at the cemetery.

COMMENCEMENT EVENTS LISTED FOR UNIVERSITY

CLOSING PROGRAM TO BE
CURTAILED DUE TO
WAR MEASURES

The DePauw University commencement week-end will present only a limited program this year as a result of the Office of Defense Transportation rulings concerning such activities. President Clyde E. Wildman announced today.

The program, scheduled for June 23 and 24, will be limited to necessary activities and the reunion of the golden anniversary class of 1895. President Wildman said. The annual alumni chapel program, the alumni luncheon, and all other regularly scheduled class reunions will not be held in accordance with the ODT ruling. They have been postponed until next year.

Commencement activities will begin at 2 p. m. on Saturday, June 23, with the annual meeting of the Joint Board of Trustees and Visitors. At the same time, the golden anniversary class will hold its reunion. The Board of Directors of the DePauw Alumni Association will meet in East College beginning at 3 p. m., and the Alumni Fund trustees will meet an hour later in the same building.

The golden anniversary class will have a banquet in Mazon Hall, new women's residence, at 5 p. m., followed by the annual reception for seniors and returned alumni at the president's home beginning at 8:30.

The activities of Sunday, June 24, will include the baccalaureate services in Gobin Memorial Church at 10:30 a. m. and the commencement exercises in Blackstock Stadium at 8:45 p. m. President Wildman will deliver the baccalaureate service, and Dr. Halford Edward Lucack, professor of Homiletics in the Divinity School of Yale University, will give the commencement address. His subject will be "Sleeping Through a Revolution."

Degrees will be conferred by President Wildman on approximately 160 seniors in the class of 1945, and five honorary degrees will be conferred. Dr. Lisgar R. Eckardt, retiring head of the philosophy department who has taught at DePauw since 1913, will be honored in the commencement program.

Charles Smith Passes Away

Charles "Humpty" Smith, 58 years, died of a heart attack early Sunday morning at the home of his sister, Mrs. Ed Hall, 410 W. Columbia street. Mr. Smith has been a farm worker for several years for Estil Brothers. He was a veteran of World War I.

He is survived by five sisters, Mrs. Charles Eiteljorge, Mrs. Robert Bee, of Greencastle, and Mrs. Frank Bee, city, Mrs. Robert Dills of Morton, and Mrs. Hall.

The funeral services will be held at the McCurry Funeral Home, Tuesday morning at eleven o'clock with the Rev. Raphael officiating. Burial will be in Little Walnut Cemetery.

MAY BE MEDIATOR

LONDON, May 28.—(UP)—Diplomatic sources said today that President Truman may be called upon to mediate the explosive dispute between France and the Syrian and Lebanese republics.

Yanks Continue Raids On Japan

GUAM, May 28.—(UP)—Three B-29 Superfortresses and 30 Mustang fighters bombed and strafed airfields near Smouldering Tokyo for 46 minutes at midday today, Japanese broadcasts said.

If true, the planes also may have been attempting to get detailed photographs of the destruction spread through the capital by 4,000 tons of fire bombs in last Saturday's B-29 raid.

Two other groups of B-29s today mined Hakata bay off northern Kyushu and Kammon strait, between Honshu and Kyushu, radio Tokyo said. Tokyo claimed that Japanese fighters shot down four of the big bombers and damaged eight others.

The enemy broadcasts also reported that the Japanese foreign ministry, greater East Asia ministry and possibly 40 to 50 percent of Tokyo's public utilities were destroyed in Saturday's disastrous air raid.

Radio Tokyo conceded that future American raids may be even more terrible.

"The enemy raids will increase in ferocity in the future," Tokyo said. "He with his naked ambition, will certainly attempt to destroy and burn down every inch of the capital city."

Officers of the 21st Bomber Command said preliminary reports indicated the attack was "very successful," but were awaiting reconnaissance photographs to determine the exact extent of destruction.

Fires still were burning in Tokyo yesterday, more than 36 hours after the raid, but heavy weather prevented fliers from taking reconnaissance photographs.

Tokyo broadcasts earlier said most of Emperor Hirohito's palace was destroyed and the remainder of the capital "laid waste" in the attack. The central business section was only a ruin, they said.

The Japanese cabinet held an extraordinary session yesterday to discuss emergency measures "against air raid disasters," Tokyo added.

LEGION AUXILIARY MEMBERS SELL POPPIES

Members of the American Legion Auxiliary in Greencastle, were busy around their poppy stand at the Fleener drug store corner Saturday selling poppies, the proceeds of which went to the rehabilitation of veterans. Mayor Ballard was buying a poppy when the camera man found him and the Auxiliary members.

UNIVERSITY HONORS EX-CLOVERDALE MAN

Professor C. L. Utterback, brother of Mrs. John Sutherland, South Indiana street, has been appointed executive officer of the physics department of Washington State University, Seattle, Wash., effective July 1st.

Prof. Utterback also carries the title of acting director of the physics laboratory, in addition to his new title. In 1917 he first went to the campus of Washington University as a graduate assistant in physics. He took his M. S. degree at Purdue, his M. S. at Washington University, and his Ph. D. at Wisconsin.

Prof. Utterback was formerly of Cloverdale.

Two More Nazis Take Own Lives

LONDON, May 28 (UP)—Two more Nazi Bigwigs, one of them the successor to Reichsmarshal Hermann Goering as commander of the German Air Force, were dead by their own hands today.

A third, Albert (Little Hitler) Forster, who as gauleiter of Danzig paved the way for German occupation of the Polish Corridor in 1939, surrendered peacefully to a British Lieutenant and a Sergeant in a Hamburg hotel.

In Forster's pocket was found a poison phial similar to the one with which Gestapo Chief Heinrich Himmler killed himself in British custody last week.

The two latest Nazis to follow Himmler in suicide were Marshal Robert Ritter Von Greim, who succeeded Goering as Commander of the Luftwaffe April 26, and Dr. Hugo Jury, gauleiter of lower Austria and former Social Welfare Minister in the notorious Seyss-Inquart government of Austria.

A small, empty phial was found beside Greim's bed in a Salzburg hospital, where he was confined for treatment of a minor leg wound suffered during the final stages of the battle of Berlin. The position of the wound indicated it may have been self-inflicted.

Also caught up in the Allied net were two married sisters of Adolf Hitler and a brother of Himmler. The sisters, found in the Bavarian Alps, were identified as Angela Hammitzsch, 61, of Altmuenster, Austria, and Paula Wolf, 48.

Himmler's brother, otherwise unidentified, was arrested by the British second army in northwest Germany.

From Rome came word that Col. Gen. Heinrich Von Vietinghoff, German commander in the southwest, finally was taken into custody last Wednesday, 23 days after his envoy officially surrendered his army to Marshal Sir Harold R. L. G. Alexander.

A BBC broadcast said other German soldiers still at large in the Chemnitz sector of southern Germany were fighting something like a civil war with civilians in the area.

The troops were said to be plundering towns and villages for food and supplies after being refused permission to cross into the American-held area as prisoners.

REED RITES WEDNESDAY

OKINAWA JAPS MAY ABANDON SHURI SECTOR

ENEMY APPARENTLY IS
FALLING BACK FROM
KEY DEFENSE

GUAM, May 28.—(UP)—Japanese forces on Okinawa traded lead men for time today to save their collapsing line at the southern end of the island.

American marine and army troops, dragging through the muddy morass south of Yonabaru and into Naha at each end of the enemy's defenses, found dumps of corpses—the price of the delaying action.

Only a mile or two back of the line, the Japanese maneuvered in an effort to halt the threatened encirclement of their units around Shuri and its ancient castle fortress.

If the Japanese attempt to pull out of the south, as they apparently are ready to do, the guns of U. S. battleships and cruisers can catch them with a deadly barrage. Naval fire already has broken up two or more columns of about 1,500 men each.

GUAM, May 28 (UP)—A front dispatch said today that the Japs appeared about to abandon Shuri, keystone of their already ruptured Okinawa defense line, for a new stand at least a mile and a half to the south.

That supposed new line in high ground south of the Kokubaru river valley even now was being outflanked, however, by an American column slashing down the east coast against meager resistance.

The column secured a 300-foot escarpment overlooking the beaches of southern Okinawa after killing perhaps 2,000 Japanese in a three-day battle, then smashed another 2,500 yards to Ogusuku town, two and a half miles south of the port of Yonabaru.

On the west coast, Marines of the Sixth Division drove another 800 yards through the rubble of Naha, capital of Okinawa, and broadened their bridgehead across the Asato river inside the city almost to the shores of the East China Sea.

The Marines also threw a fifth bridge across the Asato and were pouring reinforcements of men, guns, tanks and supplies into the heart of the capital. The Japs were putting up only rear

Hoover Visits White House

WASHINGTON, May 28 (UP)—Herbert C. Hoover came to the White House today for the first time since the raw afternoon of March 4, 1933, when he left Washington in tears after seeing Franklin D. Roosevelt inaugurated as president of the United States.

The former president is here at the invitation of President Truman to discuss European food conditions. He is expected to urge Mr. Truman to order the Army immediately to begin an emergency program of seeing to it that some 100,000,000 persons in western Europe do not go hungry.

In coming here today Mr. Hoover responded to an invitation for which he first waited more than 12 years ago. He has been back in Washington since but he never set foot inside the first Roosevelt inauguration. White House—nor was he invited—after his successor took over.

Mostly cloudy with scattered thunderstorms today becoming cooler in northwest and extreme west. Partly cloudy and cooler tonight and Tuesday.

Meat Shortage Steps Planned

The Office of Price Administration has been directed by the Office of War Mobilization and Conversion to take steps to deal with the scarcity of meat. To meet the situation OPA has initiated a plan, namely Control Order 1, Livestock Slaughter and Meat Distribution, which becomes effective April 30. To make the plan effective and relieve the critical situation of meat scarcity, the cooperation of all farm slaughterers will be needed.

The purpose of this new order is to achieve a better distribution of meats by increasing the amount of live stock slaughtered in federally inspected plants. This will make it easier for the armed forces to get what they need and at the same time it will make more meat available for shipment across State lines. This will permit more people to get their share of meat.

Farm slaughterers will be known as "Class 3 Slaughterers" under the new order. You are a farm slaughterer if you are a farmer who slaughtered, or had slaughtered for you, livestock which you owned and from which you sold or gave away not more than 6,000 pounds of meat during any 12 months period between January 1, 1944 and March 31, 1945 inclusive.

All Class 3 Slaughterers are governed by the following rules: 1. After May 31, 1945, you will not be permitted to sell or give away any meat resulting from the slaughter of your livestock unless you have registered and been granted a Class 3 Slaughterer's Permit by your OPA Local board.

2. You have until June 30, 1945 to register your farm slaughtering establishment providing you are not going to dispose of meat prior to that date.

3. You will be limited in the amount of meat you sell or transfer during the next 12 months to 100 percent of the dressed weight of meat you sold and gave away during 1944.

4. You will not be restricted in the amount of livestock you may slaughter for consumption in your own household.

5. All livestock slaughter licenses and permits issued by the War Food Administration are revoked.

In registering, a class 3 Farm Slaughterer who disposed of meat up to 6,000 pounds in a 12 months period, reports the number of pounds of meat sold and given away in each quarter of 1944.

A farm slaughterer who in 1944 disposed of less than 40 pounds may in registering, list the amount he wishes to dispose of in each quarter of 1945-46 starting with April as the opening month of the first quarter. He may request any amount up to an including 400 pounds for the whole year, even though his 1944 sales were not that high.

Farmers who qualify as "Class 3 Slaughterers" are urged to study the instructions which they have received by mail or those posted at the various farm centers throughout the country. They are requested to register promptly, either by mail or in person, with the Putnam County War Price and Rationing Board.

All slaughterers who do not come in the Class 3 group (those disposing of 6,000 pounds or less during 1944) are to register with the District Office of OPA in Indianapolis. The local board can not handle the registration of Class 2 slaughterers.

Garold Handy returned to his home in Nazareth, Pa., after being called here by the death of Mrs. E. E. Gibson.

Tito Appeals To The Allies

LONDON, May 28.—(UP)—Marshal Tito appealed to the United Nations to abide by the Atlantic Charter in the Trieste and Carinthia disputes but voiced Yugoslavia's determination to defend her "achievements" in a radio broadcast last night.

As Tito delivered his speech, which managed to be pacifying and defiant at the same time, the Soviet press assailed American newspapers for "provocation" in their reporting of the Trieste incident.

At the same time front dispatches disclosed that American troops in the disputed Venezia Giulia province of Italy have made further withdrawals in their anxiety to avoid "incidents."

Tito, in his broadcast, denied that "we have intentions of conquering by force that to which we have a right, because we are convinced the allies will fulfill their word given in the Atlantic Charter."

But he also added that the Yugoslavs had fought "the greatest conqueror" and would "be consistent in our will to defend with integrity our achievements and we shall defend them."

Speaking of Carinthia, from which his troops withdrew last week to be replaced by Eighth Army units, Tito said:

"Unfortunately our brothers in Carinthia must continue to suffer and be victimized by a gesture of terror in the guise of a different uniform. Of this we have a lot of examples. Several days have hardly passed since our troops withdrew from Carinthia and from the whole of that country we already hear wailing and moaning."

"We are making it known from here to our allies that the responsibility for all that happens over there will be shouldered only by them. We appeal to them to keep their word, to keep that word which they gave in the Atlantic Charter that every nation would have the right to decide on its own destiny itself."

Jap Casualties Nearly 400,000

MANILA, May 28.—(UP)—Japanese casualties in the Philippines neared the 400,000 mark today as the battle for the islands went into its closing stages.

Gen. Douglas MacArthur announced enemy dead, wounded, and captured for the campaign so far totaled 378,427. American troops, still killing an average of 1,000 Japanese or better daily reported 8,101 enemy dead last week and 568 prisoners.

For the same week American casualties were 389 killed, 15 missing, and 1,002 wounded. On Mindanao and Luzon Islands, American and Filipino forces fought side by side to finish the campaign and free at least nine American Divisions for operations elsewhere.

The 32nd Division, renewing its drive in northern Luzon, chief remaining enemy stronghold, captured hill 527 in the Santa Fe area north of Balete Pass. In bitter hill fighting, the 32nd sealed off 75 Japanese-infested caves, and killed 83 enemy troops they smoked out of hiding.

We would like to thank all the workers and everyone who helped to make our Poppy Day a success. Kathleen Canary, Chairman, and Phoebe Brown, Co-Chairman.

***** Recommended Films To Be Shown Locally *****

Indorsers of Photo-Plays especially recommend the following to be shown locally soon: "National Velvet" with Micky Rooney (English steeple chase); "The Clock" Robert Walker and Judy Garland; "Without Love," sparkling comedy, Barry's stage play, Tracy; "Leave It To Bopdine," popular Bumpstead family; "Tonight and Every

Night," beautiful story of England; "When the Lights Go On Again," story of a returned soldier; "Rough, Tough and Ready," made with cooperation of U. S. Army; "Abroad With Two Yanks," escapades of two marines in Australia, also March of Time, 6 and 7 "Italy" and "The West Coast"; "It's a Pleasure," Sonja Henie in a beautiful skating picture.

In discussion of the weekly letters from Hollywood it was brought out that from the excellent results of training films for army and navy will lead to further development of educational films for schools. Some 10 to 15 million of our armed forces have been introduced to films for instruction and when they return, they will be leaders in their communities in accepting films for instruction in the schools of tomorrow.

Thomas Edison is credited with the statement that films will eventually replace text books in schools.

***** News Of Boys ***** MIAMI BEACH, Fla., May 24.—Lt. Virginia L. Porter, daughter of Mr. and Mrs. Roy Porter, Greencastle, Ind., has returned from service outside the continental United States and is now being processed through the Army Ground and Service Forces Redistribution Station in Miami Beach, where her next assignment will be determined.

Lt. Porter served 35 months as a nurse in the Southwest Pacific theater of operations. While there she was awarded the Asiatic-Pacific campaign ribbon with one battle star.

***** ABOARD A LIGHT CRUISER AT OKINAWA (Delayed) ***** William Dudley Templeman, turret captain, first class, USNR, son of Mr. and Mrs. Luther Templeman, Route 3, Greencastle, Ind., helped shoot down four Japanese planes in 10 minutes during a preinvasion bombardment of this vital enemy base.

It was just after dawn that the Japs sent out their suicide fliers. No. 1 got bursts of flak while still some distance off. No. 2 faced a heavy barrage from guns of all ships in the vicinity, and was dropped in the wake of his leader.

The third Jap, weaving and dodging, managed to begin a run toward the ship—a short run, because the withering stream of fire from the cruiser's gunners was accurate. The Jap dived out of control and crashed. From off the starboard bow came the fourth Jap. Forward gun batteries swung into position, threw up a solid wall of antiaircraft fire. The Jap tried to change his course, but too late. He dived into the sea in flames.

The cruiser's big guns then methodically turned to the assigned task of blasting enemy positions on the island. Spotters from the cruiser's plans noted results: demolished gun emplacements, barracks, ammunition dumps and beaches swept clear for the landing.

***** WITH THE 38TH DIVISION ON LUZON ***** S-Sgt. Perry E. Lewis of Greencastle, Ind., and his comrades of a 151st Infantry rifle platoon, wiped out a Jap machine gun position that had helped up their advance in the mountains here. Automatic weapons and grenades used in the attack made it so hot for the Japs, they were forced to retreat.

The enemy machine gun had been used to cover a narrow bend in the trail, and could not be outflanked. Quick action enabled the Cyclone Division soldiers to destroy the gun, and part of the crew.

Sgt. Lewis is the husband of the former Miss Burge, of Lambert, Miss. He is a veteran of the battles of Bataan and the liberation of the Philippines.

***** WITH THE 38TH DIVISION ON LUZON ***** Lugging light machine guns and 60 mm mortars up steep mountain trails is a tough task, but it pays off in dead Japs and destroyed enemy equipment. This fact became very apparent to Harold C. Shaner of Greencastle, Ind., and his company of the 151st Infantry, recently.

While riflemen scouted the terrain ahead, the mortars and machine guns were carried close behind. The riflemen soon met with resistance from the Japs, and the mortars were called up. The deadly mortar shells were lodged into the enemy position, and the Japs were forced to retreat.

Pfc. Shaner is the son of Mr. and Mrs. Clyde Shaner, R. R. 4, Greencastle. He holds the Philip-

pines Liberation Ribbon, and the Asiatic-Pacific Ribbon with three battle stars.

***** BILLINGS GENERAL HOSPITAL, Ft. Benjamin Harrison, Indiana, May 28.—After leading a battalion in the battle of Mortain, and fighting bitterly in Holland, and Germany, Lt. Richard Lewman has recently returned to Billings General Hospital.

He entered Normandy on 22nd of June and his battalion took the brunt of the German counter attack aimed at dividing the 1st and 3rd armies around Mortain.

He was decorated with the Purple Heart medal when he was injured and buried under rubble of a building that was struck by an 88 mm shell. He was merely patched up at an aid station, refusing to return to a hospital and moved on through the Siegfried Line, closing the gap around Aachen.

When the Battle of the Bulge broke, his outfit was moved into Malmady. After the German offensive was checked, the Lt. was snatched back to Aachen to make the Ruhr crossing, but was injured before completing the job.

Lt. Lewman has been awarded the Bronze Star medal for gallantry in action. His mother is Mrs. Flora L. Lewman of Bainbridge. Lt. Lewman attended Purdue University.

***** FORT KNOX, Ky., May 28.—2nd Lt. LaConda E. Cox, Greencastle, Ind., recently reported to Fort Knox and is now a member of the basic training class for Army nurses at the Regional hospital, Colonel R. C. Thrackmorton, post commander, has announced.

Lt. Cox is the daughter of Mrs. Beulah E. Cox and is a former general duty nurse.

***** AN EIGHTH AIR FORCE STATION, ENGLAND—Among the 185,000 men and women of the Eighth Air Force congratulated after V-E Day by Lt. Gen. James H. Doolittle, their commander, were Capt. Donald W. Garrett; F-O Glenn W. Beersbower; S-Sgt. Howard A. Buis, R. R. Sgt. John J. Ford; Sgt. James L. Hurst, 192 Poplar St.; Cpl. Harold W. Coffman, 1001 S. Indiana Ave.

"I wish to extend my personal congratulations and my heart felt appreciation to every one of you for the magnificent job you have done," Gen. Doolittle said in a message to all personnel. "Each of you," he continued, "may be proud of your part in the defeat of Germany. I am proud of you. The world is proud of you."

The Eighth Air Force was the world's mightiest strategic bombing force. Its personnel of 185,000 was the equivalent of 12 infantry divisions, and it could send 21,000 airmen in 2,000 four-engine bombers and 1,000 fighters over Germany at one time, a combat effort possible only through the support of tens of thousands of non-flying specialists.

Relatives here of Jack Shuey have received word that Jack has been decorated with the Purple Heart, and also received the liberation of the Philippines, Liberation of Bataan and the Pearl Harbor ribbons, the good conduct ribbon and the infantry. He is the grandson of Mr. and Mrs. Lawrence Crawley of Greencastle.

S-Sgt. Raymond E. Fitzsimmons, son of Mr. and Mrs. George A. Fitzsimmons of Roachdale, R. 2, is in the Vaughn General Hospital, Hines City, Ill. Sgt. Fitzsimmons was wounded April 8, 1945. He entered the service February 2, 1944.

***** OKINAWA ***** (Continued from Page One) guard resistance, apparently resigned to abandoning it for higher ground farther south.

The garrison of the inland citadel of Shuri, which has held up the American advance for nearly a month, apparently decided on an organized withdrawal to escape encirclement by 10th Army forces pushing down both sides of the city.

The fall of Yonabaru in the east and penetration of Naha in the west already has exposed Shuri's flanks.

(A Japanese Dornier dispatch recorded by the FCC said Jap suicide planes sank an Allied battleship, two cruisers and three large transports and torpedoed five other vessels in Nakagusuku Bay on the east coast of Okinawa early today. Twelve other Allied vessels were said to have been sunk or damaged in Okinawa waters Saturday.)

Hero Prefers Simple Wedding

LUCEDALE, Miss., May 28.—(UP)—The biggest military wedding ever planned in Lucedale was called off today because the principals were on their honeymoon.

Sgt. Jake Lindsey, national hero, and his Yankee sweetheart, Beverly Hargreaves, preferred a simple wedding with a few friends standing by to a procession beneath an arch of crossed swords. They took the vows yesterday afternoon, a day in advance of schedule.

Today they were somewhere east, west, north or south of Mobile, Ala., as Mr. and Mrs. Jake Lindsey—a GI and his wife. A friend drove them to Mobile last night where they vanished from newspaper reporters and acclaiming crowds.

She was in pink, with gloves

to match, and he wore his sergeant's uniform, with the Congressional Medal of Honor ribbon on his blouse.

The marriage surprised almost everybody. It was solemnized at 2:30 p. m., in the home of a family friend, the Rev. William Fulgham, Methodist minister. Jake's family wasn't there, and didn't know what had happened until their 24-year-old son and 19-year-old daughter-in-law whom Jake met four years ago on a blind date walked in the house. Beverly said "It's the most wonderful thing in the world to be married."

***** PILOT KILLED ***** NOBLESVILLE, Ind., May 28.—(UP)—Lt. Robert A. Barnes, army pilot of Decatur, Ill., was killed last night when he bailed out of his fighter plane and his parachute failed to open near here.

GAME TUESDAY
Weather permitting, Ball State and DePaul will tangle in a night baseball game here Tuesday afternoon. The Tigers will play Ball State in their first

game of the season up at Muncie.

SUDAN GRASS IS GOOD
SUMMER PASTURE CROP

Sudan grass, as a summer pasture crop for milk cows, will do more than any other supplemental pasture in maintaining a high level of milk production during July and August and so contribute the maximum to the war food production effort, advise Dairy and Agronomy Specialists at Purdue University. The loss of rotation pastures as a result of the 1944 drought and the failure of permanent pasture to furnish succulent late summer grazing are reasons why more farmers should turn to Sudan grass, the best of all supplemental pastures.

Sudan grass is not difficult to grow and the cost of seeding is low. Simply prepare a seed bed as for corn. Use a grain drill and set it for two and one half to three and one half pecks on the wheat side. Try to seed not less than 25 pounds and better, 30 pounds per acre.

Wait until late May or early June to sow Sudan grass as it is a warm weather crop like all sorghums. It should be ready for

grazing about five weeks after seeding but not until it is 14 inches tall. Apply 200 to 300 pounds of 0-14-7 or 2-12-6 fertilizer at seeding time for greater production and a better quality pasture.

Average land should carry one cow per acre but carrying capacity can be increased if its use is alternated with other pasture or if the Sudan grass is divided for alternate grazing. Frost kills Sudan grass, so other later grazing should be made available, such as permanent pasture or Balbo rye.

TRIPLE-A NEWS

The Triple-A Office announces two new special practices for the year 1945. One of these practices provides for the payment of \$3.50 per acre for each acre of alfalfa, red clover and alsike clover harvested for seed in 1945. Each acre will have to produce a certain number of pounds of seed to be eligible. The other practice provides for a poundage payment, on a clean seed basis, of 2.5 cents per pound for alfalfa alsike clover and 3.5 cents per pound for the harvesting of red clover seed when sold to a dealer prior to January 1, 1945. This removes the harvesting

of hay seeds from the regular practice and makes it possible for each farm to earn its regular soil-building allowance in addition to the harvesting of clover seed payment. This also removes the 25 acre limitation on harvesting clover seed.

In order to be eligible for the above payments, the Farm Plan for 1945 must be signed before June 1, 1945.

Four Accidental Deaths In State

By United Press
Four accidental deaths were reported by state police and other authorities over the week end.

Three persons died as a result of automobile accidents and a child was drowned in a northern lake.

Two deaths occurred in Franklin county. Charles C. Ross, 20, Newport, a member of the merchant marine, was killed when his car struck a Greyhound bus in a head-on collision Sunday morning on road 52 near Batesville.

Robert Pressley, 17, school boy and farmer, burned to death when the car in which he was riding Saturday night, near St. Peter, overturned and burned.

Mrs. Margaret Helen Dickerson, 25, Indianapolis, died of in-

juries received Saturday when the car in which she was a passenger went out of control and plunged into a railroad crossing standard in the capital city.

William Mater, two-year-old son of Mr. and Mrs. James Mater of Logansport, drowned in Lake Niona, eight miles south of Rochester, yesterday. He wandered away from his mother and fell into the water where his body was found later. It was the first 1945 drowning fatality in Fulton county.

Doyle Hunsinger, Greensburg, a passenger in the auto which struck the bus, received a fractured skull. Three bus passengers were also injured.

Robert Brandas, driver of the car in which Pressley died, suffered severe lacerations and fractured ribs.

RETURN TO U. S.

BOSTON, May 28—(UP)—Some 2,500 army and navy veterans of European action lined the decks of a coast guard-manned troop transport and cheered mightily as it docked here today.

Wounded men in pajamas crowded to the sides of the vessel to catch the first glimpse of their homeland. Included in the group were 1,500 navy veterans and 1,000 army veterans, 400 of whom were wounded and 600 of whom were repatriated from German prison camps.

LABORITES FORCE ELECTION
Winston Churchill

WHEN LABORITE MINISTERS rejected Prime Minister Winston Churchill's proposal for extension of the coalition government in Britain until the end of the Japanese war, they forced a general election which is expected to be held July 5. The coalition government, formed in 1940 just before Dunkerque, appeared likely to crumble in the wake of developments. Sir Archibald Sinclair, head of the Liberal party, said his group doubted the wisdom of prolonging the present Parliament and would prefer an election in late autumn but would be willing to discuss "the possibility of preserving the government under your (Churchill's) leadership until the end of the Japanese war." Ernest Brown, leader of the Liberal National party, expressed the unqualified support of Churchill. Clement Attlee, Laborite deputy prime minister, said that it would not be "either right or possible" to extend the present Parliament. The Labor party is in a national convention at Blackpool, England. (International)

NEW PICTURE OF DOENITZ

HERE IS THE FIRST PICTURE to reach the U. S. of Grand Admiral Karl Doenitz, center, who took over as "Fuehrer" in Germany and arranged the surrender of the German armies, following that capitulation. It was taken at Flensburg, Germany, where he is reported to be conducting German affairs under Allied guard, control, Russia, through Moscow commentators, has called for an end of "the dangerous political game" of the Allies dealing with the "ersatz Doenitz government." IN MEMORIAM

In loving memory of our husband and father, Frank Call, who passed away September 6, 1943. The rolling stream of life rolls on.

But still the vacant chair
Recalls the love, the voice, the smile.

Of Dad, who once sat there,
The flowers we lay upon your grave.

May wither and decay,
But the love we have for you, dear,

Will never fade away.
A loving dad so true and kind,
No friend on earth like him we find;

For all of us he did his best,
May God grant him eternal rest.

Wife and children.

6 OUT OF 7 WOMEN ARE CHEATING ON RED POINTS

Among housewives recently interviewed, 6 out of 7 were cheating themselves — passing up extra red points because they did not save all their used fats.

These women were saving only the easy amounts from frying bacon or broiling. They were throwing away the little bits... the meat trimmings and table scraps. Yet those small amounts, saved and melted down, can fill fat salvage cans in no time at all! Have you been cheating yourself? Then start saving every scrap today! Our country needs fats urgently to help make battlefield and home-front essentials.

They raised the Flag again on Corregidor...

Let's raise the money in the MIGHTY SEVENTH

OUR FLAG flies once again over Corregidor. The cost was paid in blood and pain, but our men did not turn back. On two Jims, four thousand more and more—died to the long step forward to victory. Twenty thousand others shed wounds. Yes, we're on our way to Tokyo!

At home, your contribution to victory is measured in dollars.

The Seventh War Loan is the biggest in America's history because seven billion dollars must be raised from individuals alone. That means you must buy more and bigger War Bonds.

This is really two great loans in one; for this time last year you had been called upon twice to subscribe in War Loans. As our fighting men raise Old Glory all over the world—let's raise the money back home!

Mrs. Alta Ruark of Brazil was admitted Monday to the Putnam County hospital.

IN THE RUINS of Leipzig, Germany, Maj. Arnold W. Samuels, above, 44, Columbus, O., found his daughter to make a story stranger than fiction. The major, who served a decade as reading clerk for the Ohio House of Representatives, requested front line duty in an endeavor to find his daughter, Elaine Marilyn, who at the age of three was taken by his wife to Germany. The major had not seen the girl since 1923, but in captured Leipzig the two had a reunion with the blessing of the Army, for the major was granted a seven-day leave for the occasion. (International)

Tokyo Bound

GEN. COURTNEY H. HODGES, above, and his famous American First Army are Tokyo bound. The battle-hardened veterans who spearheaded the Allied drive from the beaches of Normandy to the historic junction with the Russians below Berlin will arrive in the U. S. for furloughs before proceeding to the Pacific to give the Japs the same treatment which cracked Nazis. (International)

A GERMAN SPY AND HIS CAPTOR

Paul Jean Marie Cavalliez, left, 43-year-old former French Air Force officer, was arrested in New York by FBI agents and charged with serving as a German spy. Cavalliez, charged by the FBI with planning to work for the German intelligence service after the fall of Germany, was turned into the FBI by Dieudonne Costes, right above, famous French trans-Atlantic flyer and World War I Ace. This steel framework, which started out to be the George Rogers Clark hotel in Vincennes, Ind., ended up as part of a nickel plant in Nicaro, Cuba.

HIS GESTAPO LIQUIDATED, HIMMLER LIES DEAD

Henrich Himmler, bloody boss of the liquidated Nazi Gestapo, is shown above as he lay dead after swallowing a vial of poison while undergoing a medical examination at British second army headquarters. The No. 1 war criminal concealed the vial of poison in his mouth during the questioning by Allied officers, following his capture while traveling under the name of Hinzinger, his mustache shaved off and a black patch over his eye. He was in Allied custody three days. This is an official British Radiophoto. (International Soundphoto).

CAPTURED IN LIQUIDATION OF GERMAN "GOVERNMENT"

Three of the German big shots rounded up by the Allies in the big drive to liquidate the German high command and the German "government" that operated from Flensburg are shown above. From left to right they are Production Minister Albert Speer, Adm. Karl Doenitz, who made himself Fuehrer after Hitler's alleged death, and Col. Gen. Gustav Jodl, one of the signers of the unconditional surrender documents. (International Soundphoto).

GENERAL AND MRS. HODGES AT ATLANTA RECEPTION

Gen. and Mrs. Courtney H. Hodges are shown above being greeted by an amputee patient of Lawson General Hospital as the couple were honored at a reception in an Atlanta hotel. Commander of the famed U. S. First Army, which made history in its drive across Normandy, through France and on Germany's Rhine river, Hodges has just returned to his native state of Georgia from Europe. Following a short stay in the U. S., the General and his First Army Doughboys are slated to go on to the Pacific where they will give the Japs some of the same treatment with which they licked the Nazis. (International Soundphoto).

UP TO U. S.

CHICAGO, May 28.—(UP)—The United States must assure the common people of the world an opportunity to find and preserve peace, Justice William O. Douglas of the U. S. Supreme Court said here last night.

Douglas, speaking at the close of United Chicago Day exercises, said that Americans can partly repay their debt to the late President by believing in ability of the common people to set up workable peace machinery.

"No leader, no group of leaders, no conference, can set up a world system and keep it in running order," Douglas said.

"This is the seed time of the future. If we lose sight of Franklin Roosevelt's great vision of our nation and its responsible place in the world, we shall stumble downhill to bewilderment and destruction."

CLOSE WEDNESDAY

INDIANAPOLIS, May 28 — (UP) — Hoosier taverns must close Wednesday for the first time in observance of Memorial Day.

MARINES HOT FOOT IT ACROSS NO MAN'S LAND

MARINES OF THE FIRST DIVISION run across an open stretch on Okinawa as they head for the front line. One of the Leathernecks carries a stretcher but not for one of their buddies, shown in the foreground, who fell mortally wounded a few minutes before this photo was taken, when another section of this unit made the dash. A VICTORY SHIP has been named after a college. And it is our guess that the new vessel will promptly set out to teach those Japs a good lesson.

!!!

The Japs are having a tough time of it keeping their eyes on us in the South Pacific and at the same time looking over their shoulder to see if the Russians are coming.

!!!

Leni Riefenstahl, Hitler's favorite movie actress, says she never joined the Nazi party. Oh, come now, Leni—not even the ladies' auxiliary?

!!!

A family of six was found in possession of more than 22,000 ration points. They must have believed those Japs who said the Pacific war would last a hundred years.

!!!

A baseball "grandstand manager" keeps in trim during the winter, we presume, by being an "arm-chair general."

!!!

Post-war floating airfields are promised. Swell. A flyer shot of gas need only radio a request and— presto — the filling section comes to him!

AT THE VONCASTLE

Marjorie Woodworth is the female charmer in Paramount's "Salty O'Rourke." Alan Ladd, Gail Russell starrer now playing at the Voncastle Theatre. She practices her womanly wiles in "Stash" Clements, cast as a rosy-dish pockey in the pounding story of race tracks, horses and gamblers.
